PUBLIC HEALTH DENTAL HYGIENE - WRITTEN PRACTICE AGREEMENT

Pursuant to 32 M.R.S. §18345(2)(B) and Board Rules, Chapter 2, Section IV(B)(2)(a) a dental hygienist seeking to practice public health dental hygiene must submit a signed, written practice agreement with a supervising dentist to qualify for the practice authority. A written practice agreement outlines the roles and responsibilities of the parties, which must include, but is not limited to, the level of supervision provided by the dentist, the practice settings, the standing orders and the coordination and collaboration that each party must undertake if additional patient care is needed.

Note: A separate written practice agreement must be submitted for each collaboration with a supervising dentist. As a condition to renew the Public Health Dental Hygiene practice authority, a dental hygienist must submit a current written practice agreement with the Board.
